I. THE COMPETITION

1. Title
The Competition, an international junior singles and doubles competition, shall be called the “ITF Junior Circuit”.

2. Mission Statement
The ITF Junior Circuit is comprised of the best international junior tournaments staged by its member nations worldwide. National Associations are responsible for proposing the best national tournaments for inclusion in the Circuit, subject to the final approval of the ITF Juniors Committee who govern the geographical distribution and grading of Circuit tournaments.

The ITF Junior Circuit provides a platform for the most successful junior players at national level to measure their standard against the best players from other nations and by reference to the ITF Junior World Ranking, which determines the ITF Junior World Champions at the end of each year.

3. ITF Junior Circuit Main Calendar Principles
The ITF Junior Circuit calendar aims to give junior players the opportunity to compete and earn ranking points up to the highest levels of the junior game. The following main principles govern the calendar:

- At least one tournament in every ITF member nation;
- Pyramid shaped region-by-region calendar from grade A to 5 with fewer tournaments at the top;
- Pyramid shaped calendar world-wide with fewer tournaments at the top;
- Geographical distribution by grade, country and region;
- Maximum number of tournaments per country and overall number of tournaments world-wide linked to the mission of the Circuit;
- Boys’ and girls’ tournaments always together at the same venue;
- No calendar off season to ensure main school holiday period in different parts of the world is used by junior players to compete in their region;
- Maximum number of tournaments in one week in each region;
- Free hospitality for players and official coaches at Circuit tournaments;
- Closed regional and inter-regional championships;
- No two Grade 1 tournaments in the same week in the same continent.

4. Ownership
The Competition shall be owned and managed by ITF Limited, hereinafter referred to as the “ITF”. The ITF promulgates these Tournament Regulations for the purpose of providing fair and reasonable rules for the orderly and uniform conduct of international junior tennis tournaments sanctioned by the ITF. All references to the International Tennis Federation or ITF in these Regulations shall mean ITF Limited. These Regulations shall be applicable to the junior tournaments known as the ITF Junior
Circuit. Ownership shall include, but not be limited to, the following national and international rights: registered trademarks of the ITF; commercial exploitation of the Competition; international sponsorship of the Competition; television, radio, film and video recordings, plus new media and internet coverage.

5. Players Eligible
Only boys and girls who are under the jurisdiction of a national tennis association affiliated to the ITF and who are born between 1st January 1998 and 31st December 2003 may compete in any of the tournaments that comprise the 2016 ITF Junior Circuit. They must be in “good standing” with their national association as defined in Appendix M of the ITF Junior Circuit Regulations. Players may not participate in any ITF Junior Circuit tournament unless they have reached their thirteenth (13) birthday before the start of the main draw. In accordance with the ITF Junior Age Eligibility Rules set out in Appendix G, players are limited in the number of tournaments in which they are permitted to participate in a calendar year according to their age.

6. Rules to be Observed
a) The Competition is open to all tennis players based on merit and without discrimination subject only to the conditions herein set forth.

b) The Competition shall take place in accordance with these Regulations, the Junior Circuit Code of Conduct, the Constitution of ITF Limited 2016 and the ITF Rules of Tennis.

c) In submitting an application, a tournament automatically undertakes to abide by and fulfill all its obligations under the Regulations.

d) ITF reserves the right to refuse approval of or cancel any previously sanctioned tournament or series of tournaments on the grounds of health, safety, security or any other potential threat to any persons attending the tournament(s) or to the successful running of the tournament(s), with no liability to the Applicant, National Association, Tournament Organiser or ITF.

e) In submitting an entry to a tournament sanctioned by the ITF as a constituent tournament of the Circuit, a player automatically undertakes to commit him/herself to abide by and be bound by the Regulations. It is the responsibility of the ITF Referee on site to enforce these Regulations on behalf of the ITF.

f) Any player that enters and/or participates in the ITF Junior Circuit, and any Player Support Team Member of any player that enters and/or participates in the ITF Junior Circuit shall be bound by and shall comply with the provisions of the Welfare Policy set out in Appendix F.

7. International Player Identification Number (IPIN)
In order to enter ITF Junior Circuit tournaments all players must first register for annual Junior IPIN Membership (and pay the appropriate fee) and agree, as a condition of their registration, to accept the related terms and conditions. Failure to register for IPIN Membership and to accept the related terms and conditions will render a player ineligible to enter and/or compete in ITF Junior Circuit tournaments.
8. Final Rankings
The final rankings, issued at the end of each calendar year, shall be compiled on the basis of points earned for success in major individual and team events played on both a round-robin and knockout basis. Trophies will be awarded to the winners of the two competitions.

The top ten (10) ranked junior girls according to the final year-end rankings will each be awarded a junior exempt position in the Main Draw of three (3) selected ITF Women’s Circuit tournaments, up to and including the $100,000 prize-money level, according to the following criteria:

- The year-end number 1 ranked girl will be offered direct entry into the Main Draw at one (1) ITF Women’s Circuit tournament up to and including $100,000 prize money level and two (2) ITF Women’s Circuit tournaments up to and including $75,000 prize money level.
- The year-end number 2 ranked girl will be offered direct entry into the Main Draw at two (2) ITF Women’s Circuit tournaments up to and including $75,000 prize money level and direct entry into the Main Draw at one (1) ITF Women’s Circuit tournament up to and including $50,000 prize-money level.

Such player(s) will be offered direct entry into the Main Draw at three (3) ITF Women’s Circuit tournaments up to and including $25,000 prize-money level.

      ii) To register in the name of the ITF any trade marks in connection with the Circuit and to protect such trademarks.
      iii) The Board of Directors shall appoint every two years a Juniors Committee, which shall consist of a Chairman, who shall be a member of the Board of Directors, and further members as deemed necessary.

10. Juniors Committee
    The duties and powers of the Juniors Committee shall be:
    a) To manage the day to day administration of the Circuit.
    b) To ensure uniform application of, and compliance with, the Rules, Regulations and Code of Conduct.
    c) To administer the funds of the Circuit within the financial framework of the ITF.
    d) To report to the Board of Directors on all financial matters.
    e) To undertake other duties as laid down in these Regulations.
    f) To submit regular reports to the Board of Directors.
    g) To decide any appeals or disputes in whatever manner they deem to be appropriate and whose decision shall be final and binding on all parties.
III. RULES AND REGULATIONS OF THE CIRCUIT

11. Combined Junior Ranking
The six best singles results plus one quarter (¼) of the six best doubles results in junior tournaments obtained in Grade A (Super Series), Grade B (Continental Championships), Grade C (International Team Competition) and Grades 1-5 plus Grade A bonus points and Grand Slam bonus points will be taken into consideration for the final ranking.

12. If two or more players receive the same number of points, their ranking will follow the number of points, within their six best singles results, scored in Grade A tournaments including bonus points. If two or more are still equal, players will be ranked based on the grade of tournament where points have been won in singles, in the following order: Grade B1, Grade 1, Grade B2, Grade 2, Grade B3, Grade 3, Grade 4, Grade 5 excluding Grade C (International Team Competition).

If two or more players are still equal their ranking will follow the number of points, within their six best doubles results, scored in Grade A tournaments, including bonus points. If two or more are still equal, players will be ranked based on the grade of tournament where points have been won in doubles, in the following order: Grade B1, Grade 1, Grade B2, Grade 2, Grade B3, Grade 3, Grade 4, Grade 5, excluding Grade C (International Team Competition).

13. To be ranked a player must reach a round where points are available (see points table, page 9). The number of points available in each round will vary dependent upon the grading of the tournament and the round reached. Ranking points for any relevant tournament will not be awarded to any player in breach of the ITF Junior Age Eligibility Rule.

14. The official published rankings will be calculated on a 52 week rollover system.

15. To be eligible for a year-end ranking a junior must have played in a minimum of six individual junior singles tournaments, including at least three Grade A (Super Series) tournaments and including at least three ranking tournaments outside his/her own country. Each Grade A (Super Series) tournament won will count as two tournaments played. Each Grade A (Super Series) tournament won will further count as one foreign tournament played.

16. Tournament Application and Approval
Applications for inclusion in the Circuit, giving full details of the tournament, are to be sent to the ITF, in accordance with the following deadlines:
a) Applications from both existing and new tournaments to be held from January to June must be received by 30th June of the previous year. Applications from both existing and new tournaments to be held from July to December must be received by 31st October of the previous year. Applications for upgrades must also be made by these deadlines.

b) With the exception of the Youth Olympic Games Tennis event, Regional Championships and any other event sanctioned by the ITF, only tournaments organised by a National Association, or sanctioned by the National Association concerned, will be considered for inclusion.

c) Applications for tournaments to be held during the same week and at the same venue as a professional tour event will only be considered for inclusion if the tour event is owned and run by the relevant National Association.

17. The fact that a tournament is included in a series or group of tournaments does not automatically entitle the tournament to be part of the Circuit, even though other tournaments of the same series have been accepted.

18. A tournament which begins in late December and ends in January can either be the first tournament of the Circuit, or the last, at the discretion of the Juniors Committee.

19. If a tournament is included in the calendar and subsequently withdraws within ten (10) weeks of the scheduled first day of play, that tournament shall be subject to the Tournament Offences provisions as set out in Article VII of the Code of Conduct. This tournament must still pay the full amount of the sanction fee, as outlined in Rule 21 below.

20. Public Liability Insurance
The applicant is responsible for taking out a suitable insurance policy which is compliant with local laws and regulations and which insures against claims made for damage to property and for death/injury caused to people at the event for which the applicant is legally liable. “ITF Ltd” and “ITF Licensing (UK) Ltd” must be named in the policy and on the certificate of insurance, and a copy should be provided to the ITF on request.

21. Sanction Fees

22. Tournament Responsibilities
All tournaments must be played in accordance with these Regulations, the Junior Circuit Code of Conduct, the Constitution of ITF Limited 2016 and the ITF Rules of Tennis.

23. If required, tournaments shall assign to the ITF, free of charge, one (1) page in the Official Tournament Programme for an ITF editorial or advertisement.

24. Tournaments shall display an ITF Junior Circuit banner on their main court. This banner shall be provided free of charge by the ITF. The tournament report shall include a photograph of the banner in place.

25. Tournaments shall have internet access on site for the use of the ITF Referee.

26. The Tournament Director shall:
   a) Ten (10) weeks prior to the tournament send to the ITF a copy of the tournament fact sheet for approval. **This shall not be changed once published.**
   b) Following the conclusion of the tournament send to the ITF the tournament report form.
   c) Following the conclusion of the tournament send to the National Association of the host country all money collected from on-site IPIN cash payments.

The ITF Referee is responsible for:
   a) Using Tournament Planner software before and during the tournament.
   b) Ensuring that all players’ passports are checked for date of birth and nationality and that any discrepancies with the information provided in Tournament Planner are reported to the ITF.
   c) Notifying the ITF (through Tournament Planner reports) of all money collected in on-site IPIN cash payments.
   d) Uploading results daily using the Tournament Planner software.
   e) On conclusion of the tournament sending to the ITF the ITF Referee’s Report form, including details of any penalties imposed under the Code of Conduct. A list of any penalties imposed shall be posted during the tournament on the competitors’ notice board, and shall be updated on a daily basis.

27. Research
No research involving players, coaches or other persons directly associated with a tournament shall be conducted without prior approval of the ITF.
28. Any tournament not complying with the ITF Junior Circuit Regulations 2016 will be subject to the determination and penalty procedures as set out in the ITF Junior Circuit Code of Conduct, under Article VII: Tournament Offences.

29. ITF Responsibilities
The ITF is responsible for the overall administration of the Circuit and costs involved, and shall do its utmost to ensure that the calendar is widely publicised.

30. The ITF shall process results from all tournaments on the Circuit and shall issue on a weekly basis the latest world ranking points accumulated by competitors. These shall be published on the ITF Juniors website: www.itftennis.com/juniors.

31. National Association Responsibilities
National Associations shall ensure that the tournaments they sanction for inclusion in the ITF Junior Circuit maintain appropriately high standards of organisation and administration.

32. Grades and Allocation of Points
Tournaments shall be classified into grades, based mainly on a computer evaluation of previous tournaments while maintaining a geographical balance, with ranking points as set out below. Please refer to Appendices A, B and C for special regulations for tournament Grades A, B and C. The Youth Olympic Games tennis event organised every four years shall be classified as a Grade A tournament.

33. No points will be awarded to a player until he/she has played and won a round. Advancement through a bye or walkover in the first match will not be equivalent to winning a round. Advancement by virtue of retirement following the commencement of a match will be equivalent to winning a round. When a player has played and won a match, subsequent walkovers will not affect points won. An abandoned tournament counts as a tournament played if the player had not withdrawn before the decision to abandon was taken.

Any player who leaves a tournament prior to his/her elimination from all entered events, or retires from a tournament for medical reasons, without a valid medical certificate (from the tournament doctor), will forfeit all ranking points won in all events at that tournament and be subject to the penalties set forth in the Code of Conduct.

If the singles or doubles event of a tournament is cancelled, e.g. due to poor weather, before the tournament is concluded, loser points for the round achieved will be awarded to players. If a tournament is officially terminated and the final(s) have not been completed, the finalists will each receive runner-up points.

35. Age of Competitors

However, players may not participate in any ITF Junior Tournament unless they have reached their thirteenth (13) birthday before the start of the Main Draw.

In all cases the minimum number of teams in the doubles main draw shall be half the number in the singles.

Pre-qualifying draws should not be held. However, if held under the sanctioning of the relevant National Association, pre-qualifying draws are permitted for national players only to determine Wild Cards for the Qualifying event.

Tournament Committees must ensure that the number of competitors in the Main Draw corresponds with their published draw sizes approved by the ITF.

41. **Minimum duration and tournament week**

All tournaments must be scheduled to start no later than Wednesday and finish no later than Sunday of the same week. In special circumstances, tournaments may apply to the ITF for an exemption from this rule.

Singles Qualifying must be scheduled on the appropriate days immediately prior to the first day of the singles Main Draw, unless otherwise approved by the ITF. The maximum duration of a tournament Qualifying event shall be two days.

42. Singles Entry and Withdrawal

i) A player applying for entry shall be deemed to apply for entry into the Main Draw or the Qualifying of the tournament.

A player may apply for entry into no more than three (3) ITF Junior Circuit tournaments in a specific tournament week, in which case he/she must indicate a priority. If no priority is stated, the ITF will assign a priority. A player may not compete in an ITF Junior Circuit tournament if he/she is committed to another ITF Junior Circuit tournament during that period, except as outlined in Article II. 4c Playing Another Event/One Tournament per Week, in the Code of Conduct.

It is the responsibility of each National Association to promptly advise the ITF about any player not in “good standing” with his/her National Association. Please see Appendix M.

See Appendix O for Entry Procedures.

ii) All entries and withdrawals must be submitted online through the official IPIN service or, in exceptional circumstances, by fax on the Official Entry or Withdrawal Form to the ITF. Emails are not accepted, except after the Freeze Deadline when a signed official Withdrawal Form may be submitted as an email attachment.

All entries are subject to the Regulations and Conditions of Entry stated in Appendix O. Faxed entries must be signed by the player and must contain the required information.

The Entry Deadline is at 14:00 hrs Greenwich Mean Time (GMT) on the Tuesday twenty-seven (27) days prior to the Monday of the tournament week.

Grade A tournaments and their warm-up events shall have an entry deadline at 14:00 hrs GMT on the Tuesday either forty-one (41), thirty-four (34) or twenty-seven (27) days prior to the Monday of the tournament week. Under exceptional circumstances other tournaments (Grades 1-5) may apply to the ITF for an exemption from the 27-day rule.
It is the player’s responsibility before entering a Junior Circuit tournament to check the correct entry deadline on the official tournament fact-sheet on the ITF website/IPIN online service. It is also the player’s responsibility to check that any online entry made has gone through and that a confirmation email has been received.

iii) A player can appear on more than one Alternate list and is not committed to play in any one tournament unless he/she moves into a Main Draw or Qualifying Acceptance List prior to the Freeze Deadline, in which case he/she will be removed from all other lists.

iv) The Withdrawal Deadline is at 14:00 hrs GMT on the Tuesday thirteen (13) days prior to the Monday of the tournament week. This applies to both Main Draw players and players on the Qualifying Acceptance List.

A player who appears on a Main Draw or Qualifying Acceptance List at any time after the Withdrawal Deadline is deemed to have been accepted into and is committed to play the tournament.

A player who appears on one or more Alternate list(s) may withdraw at any time, without penalty, until he/she first moves into a Main Draw or Qualifying Acceptance List, at which time he/she will be automatically withdrawn from all other Acceptance Lists by the ITF.

Any withdrawal from a player accepted into Main Draw or Qualifying that occurs after the Withdrawal Deadline will be considered a Late Withdrawal, unless that player has been nominated to represent his/her country in an official ITF or Regional Association team competition. A player’s first three (3) late withdrawal offences within a calendar year will be excused* provided the withdrawal is received by the ITF (and by the ITF Referee, if submitted after the Freeze Deadline) prior to the Sign-in Deadline. It will no longer be necessary to provide a medical certificate in the case of a Late Withdrawal.

(*an excused withdrawal is valid for two consecutive tournament weeks provided the player withdraws, as above, and notifies the ITF about the second week’s late withdrawal by the last day of the tournament).

v) The Freeze Deadline is at 14:00 hrs GMT on the Wednesday preceding the tournament week. After the Freeze Deadline players on the Qualifying Acceptance List will no longer be moved into the Main Draw, and players on one or more Alternate List will no longer be moved into the Qualifying Acceptance List. Such Alternates are not committed to play the tournament and therefore are not subject to Late Withdrawal or No Show penalties.

A player who wishes to withdraw from Main Draw or Qualifying after the Freeze Deadline must submit an Official Withdrawal Form to both the ITF and ITF Referee by
the applicable sign-in deadline, otherwise he/she will be subject to the penalties provided for No Show.

43. Administrative Error on Acceptance Lists
If an administrative error is made on a tournament Acceptance List and a player is not included or too many players are accepted into the tournament, the Acceptance List will be corrected at the earliest opportunity in accordance with the criteria for acceptances.

44. One Tournament per Week
A player may apply for entry into up to three (3) ITF Junior Circuit tournaments for the same week, but he/she must state a priority at the time of entry and he/she will be withdrawn from all except one event in accordance with the entry and withdrawal procedures outlined in Appendix O.

Once a player is committed to an ITF Junior Circuit tournament he/she may not compete in any other ITF Junior Circuit tournament that same week, except in the circumstances as stated in Article II. B.3c Playing Another Event/One Tournament per Week, in the Code of Conduct.

A player who played in the Qualifying of ITF Pro Circuit tournament is allowed to accept a Wild card into Main Draw of ITF Junior Circuit tournament during the same week provided he lost in the tournament prior being offered the Wild Card. In all other circumstances, a player may not compete in an ITF Junior Circuit tournament if he/she has competed in another tennis tournament in the same tournament week.

Once a player has competed in an ITF Junior Circuit tournament he/she may compete in an “Other” tennis tournament (not ITF sanctioned) during the same week, provided that he/she:

a) notifies the ITF Referee of his/her intention to do so before his/her first match;  
b) has played and been eliminated from the ITF Junior Circuit tournament; and  
c) is released by the ITF Referee after his/her last match in the ITF Junior Circuit tournament to play in the other tournament.

A player who withdraws or retires from either singles or doubles main draw in any round may not participate in any other tournament during the same week.

Violation or attempted violation of this Section shall result in a default by the ITF Referee and forfeiture of all ITF Junior Circuit world ranking points (where applicable).

45. One Tournament per Week – Grand Slam
A player who is entered in an ITF Junior Circuit tournament is also allowed to play in a professional Grand Slam Qualifying event the previous week, provided the player has
been eliminated from singles and doubles of the Grand Slam Qualifying prior to the Qualifying sign-in deadline of the ITF Junior Circuit tournament. Any such player who is still competing in the Grand Slam tournament at this deadline must withdraw from the relevant ITF Junior Circuit tournament. It is the player’s responsibility to withdraw from the tournament.

A player is allowed to play the doubles event at a Grand Slam tournament at the same time as he/she is still competing in the singles event only of the same week’s ITF Junior Circuit tournament subject to the approval of both Referees and provided that this does not unfairly affect the scheduling at either event.

46*. Criteria for Acceptances
The criteria for acceptances shall be:

Singles
In determining acceptances of players for the Main Draw and Qualifying, the following acceptance method will be used:

a) ITF Junior World Ranking of the Monday before the entry deadline. In a situation where two or more players are ranked equally, acceptance order will be drawn by lot.

b) ATP/WTA rankings of the Monday before the entry deadline – Players ranked in the professional game ATP 750 or better or WTA 400 or better will always be accepted at the bottom of the Main Draw Acceptance List. Players ranked in the professional game ATP 751-850 or WTA 401-500 will always be accepted and remain at the bottom of the Qualifying Acceptance List.

   iii) - Players from, or resident in, other countries within the Zone where the tournament is organised. The country will be drawn by lot as above. (This will include players from, or resident in, bordering countries which are not in the same region/zone e.g. Azerbaijan/Turkmenistan).
   iv) - Players from or resident outside of the Zone where the tournament is organised. The country will be drawn by lot as above.
   v) - Any remaining players from or resident in the country where the tournament is organized.
**Regions:** (Asia) (Oceania) (Europe) (Africa) (South America) (Central America) (North America)

- On-site Alternates should be accepted according to the ITF junior ranking of the Monday seven (7) days before the tournament week.
- Unranked On-site Alternates should be accepted according to the latest national rankings, if available. If national rankings are not available, they should be drawn by lot.

Note 2: Doubles Wild Cards are in addition to this.

Note 3: Lucky Losers are those players who have been accepted into the Singles Main Draw by the doubles sign-in deadline.

Note 4: Rankings used are those of the Monday seven (7) days prior to the Monday of the tournament week.

Note 5: For the purposes of doubles acceptances players ranked in the top 500 on the WTA or the top 850 ATP will be treated as ranked players.
47. National Rankings
All National Rankings must be submitted to the ITF by the National Association at least seven (7) days before the Entry Deadline if they are to be used for acceptance purposes for a given tournament.

If a National Association produces an updated National Ranking during the year, the National Association may send quarterly updates to the ITF.

48. Entry Definitions
A player’s status in a tournament shall not be official until the entry deadline and publication of the tournament Acceptance List on the ITF website. Any arrangement made by a player to participate in a tournament prior thereto is made at his/her own risk.

a) Direct Acceptances
Entered players accepted directly into the Main Draw or Qualifying Draw by virtue of their rankings and/or by virtue of the requirements given under rule 46* (criteria for acceptances).

b) Qualifiers
Players who are included in the Main Draw as a result of their success in the Qualifying competition.

c) Wild Cards
Players included in the draw at the sole discretion of the Tournament Committee. Wild Cards may be seeded. Wild cards must be named at the time the draw is made.

An entered player who is nominated to receive a Wild Card into the tournament will continue to be eligible, up to the start of the Qualifying competition, to compete in the tournament as a Direct Acceptance or to fill any Qualifying or Main Draw vacancies that arise, in accordance with the Criteria for Acceptances and Sign-in procedures set forth herein.

If the Qualifying and Main Draw Wild Card(s) move into the draw on merit, such player(s)’ status will change to Direct Acceptance and replacement Wild Cards may be nominated up until the time the draw is made. Any Wild Card places not filled by this time will be filled by the next eligible players on the Acceptance List, or in the case of Main Draw, by Lucky Losers.

Wild Cards who withdraw cannot be replaced with new Wild Cards after the draw is made. Any such vacancy shall be filled by the next eligible player on the Acceptance List, or if the Qualifying competition has commenced, it shall be filled by the eligible Lucky Loser drawn at the same time as the Qualifiers.
No player who has signed in for and been accepted into the Qualifying of the tournament may be named as a Wild Card after the Qualifying competition has commenced.

The Qualifying competition commences when the first ball of the first qualifying match is struck.

A tournament shall not offer a Wild Card or accept the entry from any player who has either accepted a Wild Card or been committed by an entry to another tournament in the same week except as follows:

i) Player is nominated to receive a Wild Card offering higher event status (i.e. moving from a Qualifying event to a Main Draw). In this case late withdrawal penalties for the original tournament will apply.

ii) Player is nominated to receive a Wild Card into a tournament of a higher grade. In this case late withdrawal penalties for the original tournament will apply.

It is the player’s responsibility to ascertain whether they are eligible to accept a particular Wild Card. Players and tournaments should retain written confirmation of the offer and acceptance of a Wild Card. Acceptance of the offer of a Wild Card constitutes a player’s commitment to the tournament.

Should the ITF gather evidence that a Wild Card has been sold, the tournament will be subject to the determination and penalty procedure as set out in the ITF Junior Circuit Code of Conduct under Article VII: Tournament Offences, and the player may also face disciplinary action pursuant to Code of Conduct Article I: Entry Offences and Article V: Player Major Offences.

d) Alternates

Players who are ranked lower than the direct acceptances into Main Draw and Qualifying under the applicable criteria for acceptances any time after the Entry Deadline.

If there is no singles Qualifying event, signed-in Alternates shall take any vacant places in the singles Main Draw, in accordance with their position on the Acceptance List. For vacancies that occur after the Order of Play has been released for the first day of play, the selection shall be made from the players who have signed-in for each day as applicable.

e) On-Site Alternates

Non entered players who appear at the tournament (prior to the Qualifying sign-in deadline) to sign in for the Qualifying, to fill any available spaces in the draw only. If a Qualifying is not held, On-Site Alternates may fill any available spaces in the Main Draw. On-site Alternates will be placed below players on the Alternates List created
when entries closed. In order to be eligible to be an On-site Alternate, a player must pay the entry fee and must personally sign-in with the ITF Referee on site. Eligible players shall be accepted according to the ITF junior world ranking of the Monday seven (7) days prior to the Monday of the tournament week. Unranked On-site Alternates should be accepted according to the latest national rankings, if available. If national rankings are not available, they should be drawn by lot.

**f) Lucky Losers**
Players who have lost in the final round of the Qualifying competition or, if more Lucky Losers are required for substitutions, those players who have lost in the previous qualifying round(s). **g) Special Exempts**
Players on the Qualifying Acceptance List who apply for and receive exemption from the Qualifying event because they are still competing at a “Qualified Tournament” on the day the Qualifying event is scheduled to begin. A “Qualified Tournament” is the singles and/or doubles event of another ITF Junior Circuit tournament of the same grade, a higher grade or one grade lower, within the same region (or a bordering country not in the same region, e.g. Russia/Kazakhstan) in the preceding week.

**h) 16 & Under Team Competition Feed Up Exempt**

For a draw of 24: 8 seeds
For a draw of 16: 4 seeds
For a draw of 8: 2 seeds
ii) The Number of Seeds for Qualifying shall be as follows:

b) Selection of Seeds

Singles
Seedings shall be calculated following the Seeding Comparison Chart – Appendix L.
Players without ITF or professional rankings cannot be seeded.

Doubles
Doubles seeding shall be based on the Seeding Comparison Chart (Appendix L). If two teams are considered equal, seeding shall be based on:

   i) Players’ combined ITF Junior ranking (if both players have an ITF Junior ranking)
   ii) ITF Junior ranking (if only one player has an ITF Junior ranking) followed by the Pro Singles ranking of the remaining player
   iii) Players’ combined Pro Singles ranking (if neither player has an ITF Junior ranking)
   iv) Pro Singles ranking (if neither player has an ITF Junior ranking and only one player has a Pro Singles ranking)
   v) If teams are still tied, draw by lot.

Note: Pro Singles ranking refers to ATP or WTA singles rankings as applicable. Pro Doubles rankings are not considered.

50. Sign-in/Registration
a) Qualifying
Each player (with the exception of Wild Cards who are in contact with the ITF Referee) must sign-in personally on site with the ITF Referee by 6.00 p.m. (1800 hours) the day before the start of play in the Qualifying competition.

Any player may be signed in for the Qualifying Draw by the Referee of an ITF or Regional Association sanctioned tournament in the previous week, if such player has completed that tournament in the two days preceding the start of the Qualifying competition. This player must be on site and play his/her first match by the end of the first round of Qualifying. Players travelling as part of a team under one coach may be signed in by the referee of an ITF or Regional Association sanctioned tournament in the previous week, if any other member of that team is still competing in that tournament in the two days preceding the start of the Qualifying competition.
Except as otherwise stated herein, players who fail to sign in shall not be included in the Qualifying Draw.

Any unused Special Exempt place(s) or Main Draw vacancies (following withdrawals after the Freeze Deadline) shall be filled by entered players who have either signed in for Qualifying or preserved their eligibility for such place(s) by personally contacting the ITF Referee prior to the Qualifying sign-in deadline. Players who preserve their eligibility must get written confirmation from the ITF Referee. These players are to be selected in accordance with their position on the Acceptance List. If the Special Exempt places are used or there are no Main Draw vacancies, players who preserved their eligibility are not eligible to play the Qualifying and are subject to the Late Withdrawal/No-Show provisions set forth in the Code of Conduct.

b) Main Draw
   i) Singles
   There will be no sign-in requirement for players accepted directly into the Main Draw at Grade A or Grade 1 or B1 tournaments. However, players should arrive the day before, ready to play on the first day of the competition. For all other tournaments each player accepted into the Main Draw (with the exception of Wild Cards who are in contact with the ITF Referee) must sign-in personally with the ITF Referee by 6.00 pm (1800 hours) the day before the start of the Main Draw.

   An entered player may be signed in for the Main Draw by the Referee of an ITF or Regional Association sanctioned tournament in the previous week, if such player has completed that tournament in the two days preceding the start of the Main Draw competition. This player must be on site and play his/her first match by the end of the first round of the Main Draw. Players travelling as part of a team under one coach may be signed in by the referee of an ITF or Regional Association sanctioned tournament in the previous week, if any other member of that team is still competing in that tournament in the two days preceding the start of the Main Draw competition. Except as otherwise stated herein, players who fail to sign in shall not be included in the Main Draw.

52*. Making a Draw
All draws should be made immediately after the respective sign-in has closed. All draws shall be made publicly, i.e. shall be open to be witnessed by interested parties.

a) Qualifying
Players from the same nation shall be drawn in different sections as far as possible.

i) Sections and Seeds
The Qualifying Draw shall be made in sections, and the winner of each section shall be given a place in the Main Draw. If four (4) qualifiers are required, there shall be four (4) sections; six (6) qualifiers, six (6) sections; and so on. The draw shall be seeded and the selection of seeds shall be consistent with the criteria used for the main draw. Each section shall have two seeded players. The first seed shall be placed at the top of the
first section, the second seed shall be placed at the top of the second section and so on until all sections have one (1) seed on the top line of each section. The remaining seeds shall be drawn as one group. The first drawn shall be placed on the bottom line of the first section, the second drawn shall be placed on the bottom line of the second section and so on until all sections have one (1) seed on the bottom line of each section. If there are not a sufficient number of seeded players to fill all the positions for seeds in the draw, the section(s) with the highest seed(s) shall not have a second seeded player. If no players are seeded, all players are drawn randomly.

ii) Acceptance of Qualifiers into Main Draw
Once the Qualifying event has begun, only those players who ultimately win their qualifying section and Lucky Losers may be accepted into the Main Draw. The Qualifying event commences when the first ball of the first Qualifying match is struck.

iii) Drawing of Qualifiers
At the conclusion of the Qualifying event, the name of one Qualifier shall be randomly drawn for each qualifying place in the Main Draw. There shall be no prior designation of qualifying sections to qualifying places in the Main Draw. Likewise, when more than one Lucky Loser is to be inserted into the Main Draw, their position in the Main Draw shall be determined by drawing. Vacancies occurring before the Qualifying is completed to be filled by Lucky Losers shall be drawn in conjunction with those players that qualified.

b) Main Draw
If there are two players from the same National Association competing, they shall be drawn in different halves of the draw.
If three or four players from the same National Association are competing, they shall be drawn in separate quarters.
This principle of separation of players shall extend to cover all players in the draw, including, as far as possible, qualifiers drawn manually if the draw is made before the qualifying event is completed.

i) Placing of Seeds
If there are two seeded players from the same National Association competing, they shall be drawn in different halves of the draw.
If three or four seeded players from the same National Association are competing, the first and second players shall be drawn as above and the third and fourth seeded player shall be drawn into the quarters which do not already contain one of that National Association’s players.
This principle of separation of seeded players shall extend to cover all seeded players in the draw.

Taking into account the provisions above, seeds shall be placed or drawn as follows:
1. Place Seed 1 on line 1 and Seed 2 on line 16 (16 draw), 32 (24/32 draw), 64 (48/64 draw) or line 128 (96/128 draw).

ii) Byes
In the event that there are not enough competitors to fill the draw, then after the seeds are placed in the draw, the required number of byes shall be awarded to the highest seeds as a first priority and any remaining byes shall be drawn by a lot in a manner so as to distribute them as evenly as possible throughout the sections of the draw.

iii) Vacancies And Substitutions
Vacancies shall be filled with substitutes in accordance with the following:

a) From the Withdrawal Deadline until the Freeze Deadline:
   i) Vacancies in the Qualifying and Main Draw shall be filled by entered players selected in accordance with their position on the Acceptance List.

   If at the Freeze deadline the total number of entered players on the Main Draw and Qualifying acceptance lists is less than or equal to the main draw size (all positions including DA, SE, Q but not WC), there shall be no Qualifying event. All Qualifying acceptances shall be moved to the Main Draw acceptance list as Direct Acceptances. There shall be no Qualifying sign-in. For those tournaments which have Main Draw sign-in, on-site Alternates may sign in on or before the time announced for the Main Draw sign-in in order to take any vacant positions at this time.
b) From the Freeze Deadline until the Qualifying Sign-in Deadline:
i) Vacancies in the Qualifying or Main Draw shall be filled at the time of the Qualifying sign-in deadline by entered players who have signed in for the Qualifying event or preserved their eligibility for Main Draw selected in accordance with the applicable criteria for acceptances, and thereafter by ranked On-site Alternates who have signed in for the Qualifying event selected in accordance with the computer rankings of the Monday seven (7) days prior to the Monday of the tournament week. Where players have no such ranking, the order of priority shall be decided by lot.

c) From the Qualifying Sign-in Deadline until the commencement of the Qualifying competition:
Vacancies in the Qualifying or Main Draw shall be filled by entered players who have signed in for the Qualifying event selected in accordance with the applicable criteria for acceptances.

d) After commencement of the Qualifying competition:
Vacancies in the Main Draw may only be filled by Lucky Losers. A Lucky Loser shall be inserted as a substitute for any player who withdraws or is withdrawn before the first point is played in his/her first match. Lucky Losers are those players who have lost in the final round of Qualifying. If additional Lucky Losers are needed they shall be selected from losers in the previous round(s) in the same manner. Lucky Losers shall be selected as follows: The order of players with an ITF junior ranking or professional ranking ATP 850 or better or WTA 500 or better shall be randomly drawn, thereafter the order of the unranked players shall be randomly drawn.
Vacancies in the Qualifying shall be filled by players who have signed the Alternate List for each day as applicable, selected in accordance with their position on the Acceptance List.

e) Sign-in Requirements for Substitutes
i) Alternates and Lucky Losers must be present and sign-in with the ITF Referee at least a half (½) hour before the scheduled start of play, which may occur over several days, in order to maintain their priority among other Alternates and Lucky Losers of the same round. If the eligible Lucky Loser is not available to play, he/she shall be placed at the bottom of the Lucky Loser Priority List for the day corresponding to the qualifying round in which he/she lost. Such player is not subject to penalties for late withdrawal/no show. If the eligible player is playing in the doubles event at the time he/she is called as a Lucky Loser in singles, the singles match may be rescheduled so he/she can fill the Lucky Loser position, provided the ITF Referee determines that such rescheduling of the singles match does not cause an unreasonable disruption in the schedule; otherwise the next available Lucky Loser shall be selected to fill such vacancy.
ii) Alternates and Lucky Losers must be ready to play in proper tennis attire within a total time of (5) minutes after the announcement of a vacancy. Matches must commence without delay after the selection of the Alternate or Lucky Loser.

iv) Special Exempts

Prior to the time of the Qualifying sign-in deadline, an ITF Referee may accept a verbal or written request for Special Exempt status on behalf of a player qualified to make such a request, but only from the Referee of the tournament at which the player is still participating. If there are not sufficient Special Exempt places in the Main Draw for all applicants, the players shall be selected as follows:

a) players still competing in the singles draw in order of ranking
b) players still competing in the doubles draw in order of ranking

The ranking used will be that of the Monday seven (7) days before the tournament week. If there is no Qualifying competition, or if Special Exempts are not needed prior to the time that the Qualifying draw is made, then the places in the Main Draw reserved for Special Exempts shall become places for Direct Acceptances who have signed in for Qualifying or preserved their eligibility, to be selected in accordance with their position on the Acceptance List.

A player still competing at a Qualified Tournament at the time of the Qualifying Sign-in deadline can request a Special Exempt place (as above). However he/she must notify the ITF Referee of the result of his/her match no later than one (1) hour following the completion of the match. If, after the completion of the match, the player is not eligible for the Special Exempt, the Special Exempt place will be filled either by another player who requested a Special Exempt or as per section b.iii. “Vacancies/Substitutions” above. In this case the player will not be eligible to play in the Qualifying draw.

The maximum number of Special Exempts is as follows:
16 Draw 1
32 Draw 2
48 Draw 2
64 Draw 2
96 Draw 2
128 Draw 2

c) Doubles

i) Conducting a Draw

The placing of seeds and byes and the drawing of the remaining teams shall be in accordance with the same principles used in the singles Main Draw.

ii) Vacancies

A team shall constitute a doubles entry. Therefore, if either of the players of a team cannot play, that doubles entry is subject to immediate substitution. However, if a
player has to withdraw through injury or other unavoidable circumstances after the sign-in deadline, but before the draw, his/her partner may enter again with another player who had not already been accepted in the doubles event. With this exception players may not change partners after the doubles entry deadline.

53. Seedings Official – Withdrawal after the Draw and Replacement of Seeds
Seedings will not be official until the final draw is made. The Seed Rankings from the Monday seven (7) days before the tournament week will be used.
Any vacancy created by the withdrawal of a seed shall be filled immediately by the next highest ranked player in the Main Draw eligible to be seeded. The position vacated by that next highest ranked player shall then be filled immediately by the next player on the original Acceptance List if prior to the commencement of Qualifying or by the eligible Lucky Loser if after commencement of Qualifying. Any vacancy created by the withdrawal of a seed which occurs after the release of the Order of Play on the day preceding commencement of play in the main draw shall be filled by an eligible Lucky Loser/Alternate.
Any replacement of seeds should be made without consideration to the placement of players from the same nation (as explained in 52 b).

54. Suspension and Postponement
The chair umpire may suspend a match temporarily due to darkness or conditions of the grounds or weather. Any such suspension by the chair umpire must be reported immediately to the ITF Referee. The ITF Referee must, however, make all decisions on the postponement of a match until a later day. Unless and until a match is postponed by the ITF Referee, the players, chair umpire and all on-court officials must remain ready to resume the match.
Upon suspension of a match, the chair umpire shall record the time, point, game and set score, and the name of the server, the sides on which each player was situated and shall collect all balls in use for the match. If suspension is due to darkness it should be after an even number of games have been played in the set in progress or at the end of a set. There shall be five (5) minutes of warm-up before a match. In the case of a suspended or postponed match, the period of warm-up shall be as follows:

<table>
<thead>
<tr>
<th>Delay Duration</th>
<th>Warm-up Duration</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 - 15 minutes delay</td>
<td>- no warm-up</td>
</tr>
<tr>

<tr>
<td>less than 30 minutes</td>
<td></td>
</tr>
<tr>
<td>30 or more minutes of delay</td>
<td>- five (5) minutes of warm-up</td>
</tr>
</tbody>
</table>

55. Related Regulations
To the extent not covered herein The Constitution of ITF Limited 2016 and the 2016 Rules of Tennis shall be applicable to all ITF Junior Circuit Tournaments. Such applicability shall not affect the right of the ITF Junior Circuit Tournaments to promulgate and enforce their own special regulations insofar as they are consistent with
the applicable provisions of these Rules and Regulations and have been approved by the ITF.

V. ORGANISATIONAL REQUIREMENTS

56*. Hospitality
All tournaments Graded A, 1-3 level must provide meals (breakfast, midday and evening meals) and hotel accommodation for all players in the singles and/or doubles Main Draw and for a minimum of one coach per nation commencing the evening before the first day of the main draw and ending the morning following the player’s elimination/the elimination of the last team member. All tournaments Graded 4-5 level shall, wherever possible, provide meals and hotel accommodation for all players in the singles and/or doubles Main Draw and for a minimum of one coach per nation. The ITF shall refuse hotels that are not deemed appropriate when proposed for inclusion in the fact sheet. Official coaches must be nominated by a National Association by the Freeze Deadline in order to be given hospitality. No other coaches shall be guaranteed hospitality.

Any official coach nominated by his/her National Association to receive hospitality must have registered for an annual Player Support Team ID at this website: http://playersupport.itftennis.com.

The Player Support Team ID must be communicated to the tournament by the National Association when nominating the official coach. Any coach without a valid Player Support Team ID will not be entitled to hospitality.

Private housing shall not be used by tournaments, including tournaments Graded 4-5, as a form of hospitality.

Please see Appendix N for guidelines on the required level of hospitality.

If hospitality is provided to an official team from a country, it is preferable, but at the discretion of the tournament committee, that hospitality be extended to all members of that team until the day after the last player is eliminated from the singles and/or doubles Main Draw.

Tournaments may not restrict the provision of hospitality to a set number of participants per country.

Official tournament hospitality for coaches and players shall be provided separately and bedrooms may only be shared by players of the same sex. Requests to share hotel accommodation by players and coaches from the same or opposite sex must at all times be refused. The only exception allowed to this rule is when a National Association nominates a parent, or a person related to the player and authorised in writing by the player’s parent, as the official coach/representative, in accordance with the guidelines stipulated in the ITF Welfare Policy (Appendix F).
57. **Tournament Visitor Accreditation**
Any Player Support Team Member, as defined in the ITF Welfare Policy (Appendix F) or Tournament Visitor, as defined below, attending an ITF Junior event must report to the Tournament Committee upon arrival and request accreditation for the full duration of his/her stay. Note: Tournament Visitor includes, but is not limited to, the following groups: Any prospective or current agent, suppliers, sports manufacturers, the media, recruitment organisations, or training, development and academic institutions of any description. For the avoidance of doubt, it does not include anyone visiting an event solely as a tennis spectator.

58. **Travel Assistance**
Any travel assistance shall be arranged only in advance and offered only to National Associations. It shall not be conditional upon a named player taking part. Travel assistance shall not be offered to individual players neither shall it be linked to a player’s success in the tournament, nor shall it be conditional on a player’s participation in any other tournament. Regional Associations may co-ordinate the travel assistance offered to players taking part in a group of tournaments under their control.

59*. **Courts**
All match courts shall be of exactly the same surface. However, in the event of bad weather play may be moved to another surface, either under cover or not.

If the entry falls below 48 for either of the singles events, Grade A status may no longer be given.

Tournament committees should bear in mind that no points are awarded to a player until he/she has won a round and should therefore do their utmost to ensure that the number of competitors in the draw allows the maximum number of points to be awarded.

APPENDIX D
CODE OF CONDUCT FOR 2016 ITF JUNIOR CIRCUIT TOURNAMENTS

ARTICLE I: GENERAL

A. PURPOSE
The International Tennis Federation (ITF) promulgates this ITF Code of Conduct (Code) in order to maintain fair and reasonable standards of conduct by junior players, player support team members and the organisers of all tournaments, regional championships and international team competitions included in the ITF Junior Circuit, and to protect their respective rights, the rights of the public and the integrity of the Sport of Tennis. All references to the International Tennis Federation or the ITF shall mean the ITF Limited.

B. EXCLUSIVE APPLICABILITY
This 2016 ITF Junior Circuit Code of Conduct shall be the basis for disciplinary action against any player or tournament in ITF sanctioned Junior Circuit tournaments, except to the extent that disciplinary jurisdiction is established in relation to such tournaments under (i) the Tennis Anti-Doping Programme; and/or (ii) the ITF Welfare Policy.

C. ITF REFEREE
The approved ITF Referee for each ITF Junior Circuit tournament shall be the final authority for the interpretation of these Tournament Regulations, Code of Conduct and the Rules of Tennis as to all matters arising that require immediate resolution at the tournament site.

ARTICLE II: PLAYER ENTRY OFFENCES

A. APPLICABILITY
This Article shall only apply to ITF Junior Circuit tournaments.

B. ENTRY OFFENCES
1. Late Withdrawal/No-Show
A player who has entered and been accepted as a Direct Acceptance into the Main Draw or Qualifying and not timely withdrawn therefrom, shall appear for play. Any withdrawal from a player accepted into Main Draw or Qualifying that occurs after the Withdrawal Deadline shall be considered a late withdrawal. A player’s first three (3) late withdrawal offences within a calendar year are excused* (“late withdrawal amnesty”), provided the withdrawal is received by the ITF (and by the ITF Referee, if submitted after the Freeze Deadline) prior to the relevant Sign-in Deadline.
(*an excused withdrawal is valid for two consecutive tournament weeks provided the player withdraws, as above, and notifies the ITF about the second week’s late withdrawal by the last day of the tournament).

A player who is on the Qualifying Acceptance List but who is still playing in another ITF Junior Circuit tournament at the time of the Qualifying Sign-In Deadline and who applies for a Special Exempt position, but where such Special Exempt position is not available for the player, will not be penalized for Late Withdrawal.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

2. On-Site Medical Withdrawal
   a) If a player is forced to withdraw after sign-in for medical reasons, the ITF Medical Certification form must be completed (in English, French or Spanish) by the medically qualified physician on-site indicating the nature of the medical condition and verifying that the player is unfit to continue playing in the current tournament.
   b) A player who withdraws late from a tournament will be excused a late withdrawal penalty provided:
      i) the player, who is still competing in a tournament at or after the time of the Qualifying sign-in deadline, is forced to withdraw/retire, is examined by that tournament’s physician and is determined to be unfit to compete at the following week’s tournament; or
      ii) the player is on-site at the tournament when the withdrawal occurred and is determined to be unfit to compete by the tournament’s physician.

   For the purpose of this rule, the player must withdraw before the start of his first match and the ITF Medical Certification form must be completed and submitted to the ITF no later than the last day of the tournament.
   c) A valid ITF Medical Certification form will excuse a late withdrawal penalty for any subsequent tournament until the player next competes in any tennis event, provided the late withdrawal is submitted prior to the relevant sign-in deadline.

3. Playing Another Event/One Tournament per Week
   a) No player who has played in the Qualifying or Main Draw of an ITF Junior Circuit tournament shall play in any other tennis event, including national and regional tournaments, during the period of such tournament.
   b) Any player who is found to have played in another tennis tournament in the same tournament week in which they have played an ITF Junior Circuit
tournament will not receive ranking points for the ITF Junior Circuit tournament. The exception is a player who has played and lost in the Qualifying event of an ITF Pro Circuit tournament and who subsequently is offered a Wild Card into an ITF Junior Circuit tournament in the same tournament week.

c) No player who has entered and been accepted into the Qualifying or Main Draw of an ITF Junior Circuit tournament shall play in any other ITF Junior Circuit tournament during the period of such tournament, except as hereinafter provided. Participation by a player in an alternative tournament is only permitted in the following specific circumstances, provided the player first submits an official withdrawal for the tournament he/she was originally committed to, prior to its Qualifying Sign-in Deadline:

i) Player is nominated to represent his/her country in an official ITF or Regional Association team competition;

ii) Player is nominated to receive a Wild Card offering higher event status (i.e. moving from a Qualifying event to a Main Draw). In this case late withdrawal penalties for the original tournament will apply.

iii) Player is nominated to receive a Wild Card into a tournament of a higher grade. In this case late withdrawal penalties for the original tournament will apply.

iv) Player is forced to withdraw from a Qualifying event because he/she is still committed in a previous week’s tournament but is not eligible to apply, or has been unsuccessful in applying, for a special exempt place.

C. WILD CARDS
No player, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section by a player shall result in disciplinary procedures.

In circumstances that are flagrant and particularly injurious to the success of an ITF Junior Circuit tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of “Aggravated Behaviour”.

D. FALSIFYING OFFICIAL DOCUMENTATION
Should a player submit documentation that the ITF deems to be false evidence, including but not limited to documents pertaining to tournament entry and withdrawal and Code of Conduct appeals, the player shall be subject to disciplinary procedures.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of “Aggravated Behaviour”.

E. DISCRETIONARY REVIEW

Any player found to have committed an Entry Offence may appeal to the ITF Manager of Junior Tennis for discretionary review of the determination of guilt and penalty therefore. Such Notice of Appeal shall be in writing and must be filed with the ITF by 5.00 pm GMT within fourteen (14) days after notice of the violation is received by the player.

Attached to and included with such Notice of Appeal shall be a statement by the player as to the facts and circumstances of such incident along with any other evidence that the player desires to submit. Any player submitting fax transmission receipts when appealing a Player Entry Offence should note that all fax receipts must match exactly the fax receipt records at the ITF Office; i.e. fax transmission receipts submitted must show the originating fax number, the fax number of the ITF Office, the OK status, the number of pages transmitted, the date, the time and the transmission duration. If there is no exact match with the transmission receipt records at the ITF Office the appeal will be rejected as insufficient evidence submitted.

Upon receipt of such an Appeal, the ITF Manager of Junior Tennis shall conduct a reasonable investigation of the facts and circumstances surrounding such incident, and shall affirm or reverse in whole or in part the determination of the Offence.

APPENDIX E

MEDICAL, EXTREME WEATHER CONDITIONS AND TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

A. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Medicine Trainer during the warm-up or the match.

- Treatable Medical Conditions
  - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
  - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

- Non-Treatable Medical Conditions
  - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
  - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
  - General player fatigue.
  - Any medical condition requiring injections, intravenous infusions or oxygen, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.

B. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Medicine Trainer, in conjunction with the Tournament Doctor, to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Medicine Trainer to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical
treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Medicine Trainer, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.

If the Sports Medicine Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

C. Medical Time-Out
A Medical Time-Out is allowed by the ITF Referee or Chair Umpire when the Sports Medicine Trainer has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Medicine Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Medicine Trainer is ready to start treatment. At the discretion of the Physiotherapist/Sports Medicine Trainer, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non-professional events, the ITF Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist/Sports Medicine Trainer, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Medicine Trainer believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle
cramping may only be treated as part of the recommended treatment by the Sports Medicine Trainer for the heat illness condition.

Note:
A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Medicine Trainer and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.
If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Medicine Trainer and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of ends or set-break in order to receive treatment. There may be a total of two (2) full change of ends or set-break treatments for muscle cramping in a match, not necessarily consecutive.
If it is determined by the Chair Umpire or ITF Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Referee for the special circumstance in which the Sports Medicine Trainer determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Medicine Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

D. Medical Treatment
A player may receive on-court medical treatment and/or supplies from the Sports Medicine Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

E. Penalty
After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalised by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.
F. **Bleeding**
If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Medicine Trainer should be called to the court by the Chair Umpire for evaluation and treatment. The Physiotherapist/Sports Medicine Trainer, in conjunction with the Tournament Doctor, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Medicine Trainer and/or Tournament Doctor, the ITF Referee may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

G. **Vomiting**
If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Medicine Trainer should determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

H. **Physical Incapacity**
During a match, if there is an emergency medical condition and the player involved is unable to make a request for a Sports Medicine Trainer, the Chair Umpire shall immediately call for the Sports Medicine Trainer and Tournament Doctor to assist the player.

Either before or during a match, if a player is considered by the Tournament Doctor and/or Sports Medicine Trainer to be unable physically to compete, or poses a sufficiently serious health risk to other players, officials or Tournament staff, the Sports Medicine Trainer and/or Tournament Doctor should inform the ITF Referee and recommend that the player is ruled unable to compete in the match to be played, or retired from the match in progress.

The ITF Referee shall exercise discretion before taking any action under this rule, and should base the decision on the best interests of the player and the sport, as well as taking all medical advice and any other information into consideration.

As a precondition to returning to competition, whether at the same or subsequent event, players who have been ruled ineligible to compete under this rule may be
required to provide evidence (whether medical or otherwise) that they are physically capable of competing and/or that they pose no health risk to other players, officials or Tournament staff. All such evidence shall be subject to approval by the ITF Referee, in conjunction with the Tournament Doctor and/or the ITF Sport Science & Medicine Commission.

Subject to any other restrictions on participation, a player who has been ruled unable to compete under this rule may subsequently compete in another event at the same tournament, whether on the same or a subsequent day, provided that the Tournament Doctor determines that all preconditions for returning to competition have been met. If this rule is applied in a nation where it is inconsistent with the national law, then the national law will prevail.

Extreme Weather Conditions and Lightning

a. Definitions

i. Extreme Weather Conditions

ii. Modification of Play

If a WBGT meter is not available for measuring the WBGT Index, then the apparent temperature should be calculated based on the chart above, and Extreme Weather Condition – Modification of Play shall be defined when the apparent temperature meets or exceeds 34 degrees Celsius/93 degrees Fahrenheit.

iii. Suspension of Play

This shall be defined as a Heat Stress Index (WBGT Index) of, or greater than, 32.2 degrees Celsius/90 degrees Fahrenheit. If a WBGT meter is not available for measuring the WBGT Index, then the Apparent Temperature should be established from the chart above, and Extreme Weather Condition – Suspension of Play shall be defined as an Apparent Temperature of, or greater than, 40.1 degrees Celsius/104.2 degrees Fahrenheit.

b. Procedures for Measuring/Monitoring Weather Conditions

The WBGT Index or Apparent Temperature should be measured by the ITF Referee a minimum of three (3) times, and a maximum of five (5) times, per day. The readings will be determined by the ITF Referee prior to the start of play and will be posted in the ITF Referee’s office. Measurements should be taken every two (2) hours, but at a minimum, three (3) readings should be taken at the following times:

i. One-half hour before match play begins;

ii. Middle of the scheduled day; and

iii. Just prior to beginning of the last match of the day, or prior to the start of the first evening match.

The WBGT Index or Apparent Temperature also should be measured under the following circumstances:

(a) Following any suspension of play; and

(b) At the discretion of the ITF Referee

c. Modification of Play Timing and Weather Condition Change

When the Extreme Weather Condition – Modification of Play is in effect before the start of a match, the procedures set out below in Section d, shall be followed.

In the event that during the day there is a change in weather conditions as determined by the periodic monitoring, the Extreme Weather Condition Rule can be put into effect at any time on all courts, including matches already in progress. Once notified that the Extreme Weather Condition Rule is in effect, the ITF Referee or any designated official must inform the players at the next change of ends.

If there is a sudden change in weather conditions and the Rule is lifted, those matches already in progress will continue under the Extreme Weather Condition Rule. In the
case of rain or interruption to play, the ITF Referee can re-assess the Extreme Weather Condition Rule.

d. Modification of Play Procedures, Singles & Doubles

A 10-minute break will be allowed between the 2nd and 3rd sets if either player requests such a break. If neither player requests such a break, then play will continue.

The ITF Referee may also choose to delay the starting time for matches until such a time as the Extreme Weather Condition Modification of Play no longer is in effect.

i. During the 10-minute break, no coaching or treatment will be allowed. However, a player may be allowed to receive an adjustment of medical support, medical equipment and/or receive medical advice from the Sport Medicine Trainer.

ii. Immediately following the 10-minute break

(a) Any delay in resumption of play shall subject a player to time violations.

(b) No re-warm up will be allowed. (This rule also applies to all bathroom and/or change of attire breaks allowed during the match.)

(c) A player may not receive medical evaluations, Medical Time Outs or medical treatments, unless approved by the ITF Referee prior to leaving the court or before the end of the 2nd set.

iii. Consecutive Breaks

An Extreme Weather Condition 10-minute break and a Bathroom/Change of Attire break may not be taken consecutively.

e. Suspension of Play Procedures

When the Extreme Weather Condition – Suspension of Play is in effect, play shall be suspended on all courts including matches already in progress until the temperature falls below the criterion for Suspension of Play.

f. Lightning

The ITF Referee has the authority to suspend play when lightning is sighted. Play shall resume when the likelihood of a lightning strike has passed.

**TOILET /CHANGE OF ATTIRE BREAK**

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break (girls’ matches).

Toilet breaks / change of attire breaks must be taken on a set break.

In girls’ singles events, a player is entitled to two (2) breaks during a match. In boys’ singles events, a player is entitled to one (1) toilet break.

In a doubles match, each team is entitled to a total of two (2) breaks. If partners leave the court together, it counts as one (1) of the team’s authorised breaks. These breaks
may be taken for toilet visits, change of attire (girls’ matches), or both, but for no other reason whatsoever.
Any time a player leaves the court for a toilet/change of attire break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet/change of attire break taken after a warm-up has started is considered one of the authorised breaks. Toilet breaks taken not on a set break will be authorised, but will be penalised in accordance with the point penalty schedule if the player is not ready to play within the allowed time.
The ITF Referee shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the ITF Referee as gamesmanship and/or flagrant abuse of the Rules.
A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the ITF Referee.
A player may change her attire during a toilet break.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

Upon receipt of such a complaint, the ITF Executive Director shall promptly initiate a review of the matter. Such review shall be carried out by the relevant Manager or Head of Department with responsibility for the ITF Tournament in which the complainant participates (“ITF Manager/Head”). Upon request by the ITF Manager/Head, the ITF Executive Director shall have authority to issue a provisional suspension of the accused individual, pending the completion of the investigation and issuance of a final decision on the matter.

ii. Upon review of the complaint and, where appropriate, additional investigation, the ITF Manager/Head may determine that the complaint does not merit further action. The notice of appeal must include a statement of the reasons for the appeal and arguments why the decision was incorrect and include supporting evidence and make any application for a stay of execution. The ITF Committee shall decide whether to review the appeal based solely on the ITF Executive Director’s investigation or whether to hold a full hearing in which the Covered Person will be given the opportunity to present his/her case directly to the ITF Committee, in which case the ITF Committee shall issue directions for the efficient conduct of the appeal. The decision of the ITF Committee shall be final and binding. Any decision of the ITF Executive Director decided on the basis of a conviction or plea of guilty or no contest to a criminal charge or indictment as set out in Section a) v. above shall be final and binding.

v. Any decision of the Executive Director and/or the ITF Committee pursuant to this Welfare Policy may be communicated to those Member National Associations, other tennis organisations and ITF Tournament organisers deemed necessary by the ITF Executive Director and/or the ITF Committee.

APPENDIX L
SEEDING COMPARISON CHART

The following chart should be used to compare players with professional ranking against players with ITF Junior rankings for seeding purposes in both singles and doubles. If two players are on the same line of the chart ITF Junior Ranking has priority.

Example:
Seed 1 – ITF Junior Ranking No.2
Seed 2 – ATP Ranking 275
Seed 3 – ITF Junior Ranking No.3

For doubles seeding, a player with a professional ranking is considered the equal of the lowest ITF Junior Ranking in the same group. For example, a player with an ATP ranking of 501-550 is considered the equal of a player with an ITF Junior Ranking of 12.

Under exceptional circumstances other tournaments (Grades 1-5) may apply to the ITF for an exemption from the 27-day rule.

It is the player’s responsibility before entering any Junior Circuit tournament to check the correct entry deadline on the official tournament fact-sheet on the ITF website and/or on the IPIN online service. It is also the player’s responsibility to check that an online entry has gone through and that a confirmation email has been received.

Withdrawal Deadline (Main Draw and Qualifying): Tuesday thirteen (13) days prior to the Monday of the tournament week (no later than 14:00 hours GMT)

Freeze Deadline: Wednesday preceding the tournament week (no later than 14:00 hours GMT)

All players entering ITF Junior Circuit tournaments must be a member of their national tennis association and must be in “good standing” with their national associations as defined in Appendix M of the ITF Junior Circuit Regulations.

In order to enter ITF Junior Circuit tournaments all players must first register for annual Junior IPIN Membership (and pay the appropriate fee) and agree, as a condition of their registration, to accept the related terms and conditions. Failure to register for IPIN

**At the Withdrawal Deadline:**

  1. Main Draw takes priority over Qualifying, and Qualifying over Alternates
  2. Tournament Entry Priority

If a player did not state an entry priority, he/she will be immediately withdrawn from all but one Entry List according to the following criteria:

3. Tournaments with the highest grade will take priority, or if equal;
4. The Entry List on which he/she is highest placed will take priority, or if equal;
5. The tournament which is geographically closest to his/her country of Nationality will take priority

- If a player is not accepted into any ITF Junior Circuit tournament occurring during the same week, he/she may remain on more than one Entry List as an Alternate until the Freeze Deadline. However once he/she is accepted into any ITF Junior Circuit tournament, he/she will be withdrawn from the Entry Lists of all other tournaments occurring during this period.

**After the Freeze Deadline:**

- Players who are on one or more Alternate Lists will not be moved into Qualifying and players in Qualifying will no longer be moved into the Main Draw.
APPENDIX P

ITF hereby confirms that each host organiser may on a royalty free basis use official data by the following means:

In addition ITF confirms that where ITF provides a live score centre of any match on the ITF website the host organiser may request ITF’s permission to incorporate a link on their respective official websites that enables viewers to access and view such live score centre. ITF will not unreasonably refuse any request to incorporate such a link provided that the link is incorporated in accordance with ITF directions.

All other rights to use or create or assemble official data or in any way to exercise the data rights are reserved exclusively to ITF and may be exploited by ITF at its sole election.

3. Data rights protection

Host organiser shall not allow or authorise the dissemination, transmission, publication or release of any official data and/or any match score or other related statistical data from the venue.

The exception to this provision is host
organiser and/or ITF credentialed personnel when used in the performance of their duties.

The host organiser shall co-operate with the ITF in relation to:

- Any system or scheme that the ITF implements for the exercise, collection, supply and/or licensing (in each case by the ITF itself or via an appointed 3rd party) of live scoring rights;

- Any measures that the ITF takes to protect the exclusivity of live scoring rights and the prevention of any unauthorised collation, collection, use, storage, reproduction, onward supply or making available of official data.

ITF and the host organiser shall at all times co-operate with and comply with the requirements of the tennis anti-corruption program.

4. PAT data exploitation

“PAT Data” shall mean player performance analysis data and/or other data or information collected by and/or with the co-operation of the player and/or analysis derived therefrom during a match in any Pro Circuit tournament (“Tournament”) by means of any system of Player Analysis Technology that is approved by ITF for use in that Tournament.

ITF has, subject to the rules of tennis, agreed that players using approved PAT systems may collect, collate, assemble and store PAT data from matches played in the competition subject to the following conditions:

i. During the match the coaches and players and any technology providers or service operators involved in the collection, collation and/or analysis of PAT data shall only use such PAT data for internal analysis and coaching purposes of the respective player and/or team and such use shall be strictly subject to rule 30 of the rules of tennis

ii. Each host organiser coach and player shall and undertakes to procure that any technology provider or service operator involved in the collection, collation and/or analysis of PAT data at any time shall:

a) Not publish, use or otherwise exploit any PAT data or supply any PAT data or analysis derived therefrom to third parties for any purposes other than as described in 4(i) above or that have otherwise been pre-approved in writing by ITF and shall take such steps as ITF may reasonably require
to prevent any unauthorised access to and/or use of such PAT data, in particular but without limitation no PAT data or analysis or product derived therefrom shall be used or supplied to any third party for any purpose related to betting and/or gambling;

b) Ensure that ITF shall be able to access free of charge any and all such PAT data live and/or delayed at the venue of the match and/or such other point as may be agreed and ITF shall be free to use such PAT data and authorise third parties to use such PAT data for any purposes;

iii. In the event that such PAT data is accessed by unauthorised third parties and/or ITF reasonably believes that PAT data and/or PAT equipment and/or services are being used for any purposes in breach of these regulations ITF shall be entitled to rescind its approval and the coaches and players will immediately cease use of the PAT system pending resolution.
