CANDIDATE FOR OFFICE OF PRESIDENT:

Dr Raymond Forde:

“I once again offer myself to you, the general membership, for the post of President of the Barbados Tennis Association Inc. (BTA) for the period 2020 to 2022.

The long-awaited Tennis Centre expansion project is imminent and hopefully will have started by the due date of the 2020 Annual General Meeting. It is my wish, with your support, to complete this project during my tenure before I decide to demit office.

I presently serve on the International Tennis Federation’s Sports Science and Medicine Commission and the Barbados Olympic Association’s Governance Committee.

I have established a good working relationship with governance and management personnel of the International Tennis Federation, the National Sports Council, the Barbados Olympic Association and the Central American and Caribbean Tennis Confederation.

The COVID-19 Pandemic has hampered all aspects of Tennis – locally and internationally – over the past months. Nevertheless, with the “Return to Tennis”, I trust that our sport will once again rise to its true potential over the next two years.

Thanks in advance for your kind consideration and support “.
